The health and safety of our customers and employees is our top priority. We are closely monitoring the current COVID-19 situation. We will continue to operate under the guidelines of the CDC, State and local officials. Employees are washing their hands frequently and cleaning the common areas of our stores. We will also practice safe distancing for the protection of all of us.

If you choose, you may phone your order into one of our stores and we will deliver them to your vehicle in the parking lot. Deliveries to residences and job sites will carry on as normal. We will continue to operate with standard business hours unless the situation requires us to change.

We are grateful for your continued support and look forward to a prosperous future for all of us.

Thank you from the employee owners of Southeast Construction Products, Inc.
